

Girls Rackard League Camogie by Ms Pitt:

We are very proud of the camogie girls as this was their first year entering the Rackard League Camogie competition. They topped their group which resulted in them reaching the District Final. The girls played in the District Final against Kilmore in Taghmon on May 30th. The girls fought hard and never gave up, however unfortunately Kilmore were a very strong opposition and victory was theirs on the night. Ms. O'Callaghan, Mr. Moore and I would again like to commend the girls on the great effort and hard work that they put into the matches and training this year. To the girls who are now in 6th class and are starting in secondary school in September we wish you the best of luck in your sporting careers. I am sure you will all have lots of success on the sporting fields in the future. We would like to express our thanks to the parents for your continued support; bringing the girls to and from the training sessions and matches. Your support is very much appreciated.

Ms. Pitt's class report

2nd and 3rd Class along with Mr. O'Tiarnaigh's 3rd and 4th class went on their school tour on June 16th to Curracloe Beach. The children had an action packed tour and thoroughly enjoyed the day. Firstly the children got into their wet suits and surf shoes. Then we began with some beach games and races. Next we separated into our class groups. 2nd and 3rd class received some instruction on how to surf and we then went surfing in the sea. After that the groups swapped around and we went sand surfing on the sand dunes. We then went for a quick swim to clean the sand off us after the sand surfing. The children then got changed out of their wet suits and they had their hot food. Finally we went back down to the beach for some playtime before returning back to school.

Here are some of the children's thoughts about the school tour:

'When I went down the sand dunes it was fun!' Gavin Murphy.

'We went sand surfing down a big sandy hill' Mya Murphy.

'It was fun when we had a race into the water' Isabel Creane.

'I loved when we were going to take a picture and they put water on us' Amy Fortune.

'It was fun when we got into the water on our boards' Jennifer Reamonn.

'I really liked the sand surfing because we got to go down the big sand dune' Cathleen Aav.

'Lots of people fell off the surfboards when we were surfing' Oisín Copeland.

'I loved my school tour' James Kavanagh.
